DENIS TERENCE CALLINAN

17/11/1954 - 16/01/2008

We would like to share with you an excerpt from a letter gratefully received from Megan Mahon, President of the Queensland Law Society:-

*"... I do want you to know that Denis was truly a legend in the legal profession not just for his professionalism and expertise but for his extraordinary contribution to his community as a charity fund-raiser and activist. He was one of the best and brightest and I pray that you will be comforted after the shock and grief have passed with the knowledge that his life was, and will continue to be, an example to us all. There could be no finer legacy."*
